

Vacancies: Chair of Governors and School Governors

Could you make a positive contribution to our school community? If yes, we would love to hear from you.

Being a governor is a rewarding way of making a voluntary contribution to the lives of our adults and children.

We currently have a wonderful Chair of Governors who admirably chairs both our school and our sister school in Teynham. It's time for us to spread our wings and find our own Chair of Governors.

We would be delighted to hear from anyone who has:

- An interest in the performance of the school
- An open and enquiring mind and the ability to look at issues objectively
- The confidence to ask questions and join in debate
- A willingness to listen and make informed judgements
- The ability to work well with others
- Some time to spare to attend our governors meetings and visit the school

Being a governor can be enjoyable, stimulating and rewarding. All governors must complete safeguarding checks and safeguarding training.
