b) Management Inspection of Premises – Schedule	12

STATEMENT OF INTENT

ISP has a duty to ensure that buildings under their control comply with the statutory and regulatory standards. ISP School, Battle, needs to consider the building:

- Condition – focus on the physical state of the premises to ensure safe and continuous operations as well as other issues involving building regulations and other non-education centric statutory requirements.
- Suitability – focus on the quality of the premises to meet curriculum or management needs and other issues impacting on the role of the ISP School in raising educational standards.

The ISP School, Battle, premises are monitored by the Head Teacher (Caroline Belchem), with assistance from the School Administrator (Sarah Page), Health & Safety and Property Manager (Faye Shaw) and Health and Safety Governor/Caretaker (Andrew Belchem).

This Policy will be reviewed and monitored annually by the Head Teacher (Caroline Belchem) and the Governing Body.

Signed:

Caroline Belchem

Head Teacher: Caroline Belchem

Date: 30 08 2024

1. LEGAL FRAMEWORK

- 1.1. This policy will have consideration for and be in compliance with the following legislation:
 - The Control of Asbestos Regulations 2012.
 - The Education (School Premises) Regulations 1999.
 - The Health and Safety at Work etc. Act 1974.
 - Management of Health and Safety at Work Regulations 1999.
 - Statutory Premises Management Documents.
- 1.2. This policy will also have due regard to the following statutory and non-statutory guidance:
 - First Aid in Schools – February 2014.
 - Asbestos Management in Schools – November 2013.
 - Health and Safety: advice for schools – February 2013.

2. KEY RESPONSIBILITIES

- 2.1. The Director of Education (Toni Reedman), as the duty holder, will be primarily responsible for ensuring the proper maintenance and repair of the ISP School premises.
- 2.2. The Head teacher (Caroline Belchem) will be responsible for coordinating and supervising maintenance and repair work, including securing any external contractor where necessary.
- 2.3. The Head Teacher (Caroline Belchem) will identify and undertake all maintenance and repair work within the ISP School premises.

3. ASBESTOS

- 3.1. The governing body, in collaboration with the Health & Safety and Property Manager (Faye Shaw) and the Head Teacher (Caroline Belchem), alongside Rother Estate Services, will ensure that it meets its duty to manage asbestos in the ISP School premises.
- 3.2. All school buildings were built post asbestos containing materials being banned in the use of new buildings.

4. WATER SUPPLY

- 4.1. The Head Teacher (Caroline Belchem) and Health & Safety and Property Manager (Faye Shaw), alongside Rother Estate Services, will ensure that the ISP School's water supply meets regulatory requirements by carrying out the appropriate checks at appropriate intervals so that:

- ISP School, Battle has a clean supply of water for domestic purposes, including a supply of drinking water.
- Toilet facilities have an adequate supply of cold water and washbasins and sinks have an adequate supply of hot and cold water.
- Temperatures do not exceed 43°C as stated in legislation. Sink temperature recorded weekly.

5. DRAINAGE

- 5.1. The Head Teacher (Caroline Belchem) and Health & Safety and Property Manager (Faye Shaw), alongside Rother Estate Services, will ensure that there is adequate drainage for hygienic purposes and for the disposal of waste water and surface water and calling in external drainage specialists should problems arise in this area.

6. SECURITY

- 6.1. The Head Teacher (Caroline Belchem) and Health & Safety and Property Manager (Faye Shaw), alongside Rother Estate Services, will ensure that ISP School, Battle has adequate security arrangements in place for the grounds and buildings by ensuring that each building is securely locked and alarmed each night; that each building has a secure entrance; and that the ISP School's perimeters are sufficiently secure.
- 6.2. ISP School, Battle security arrangements are based on a risk assessment, regularly reviewed by the Head Teacher (Caroline Belchem), Health & Safety and Property Manager (Faye Shaw), alongside Rother Estate Services, explicitly taking into account the:
- Location of the ISP School.
 - Physical layout of the ISP School.
 - Movements needed around the site.
 - Arrangements for receiving visitors.
 - Staff/pupil training in security.

7. LETTINGS

- 7.1. The Head Teacher will ensure that ISP School, Battle premises, used for a purpose other than conducting ISP School, Battle's main business, are organised to ensure that the health, safety and welfare of pupils are safeguarded and their education is not interrupted by other users.

8. WEATHER

- 8.1. The Head Teacher (Caroline Belchem) and Health & Safety and Property Manager (Faye Shaw), alongside Rother Estate Services, will ensure that ISP School, Battle buildings provide reasonable resistance to penetration by rain, snow, wind and moisture from the ground by conducting regular visual checks. Any issues identified will be relayed to the Head Teacher (Caroline Belchem).
- 8.2 Snow and Ice

- A plan has been produced outlining the main pedestrian routes that the site staff will strive to keep open during snowy and icy conditions
- If it becomes impossible to keep these routes clear the head teacher is informed immediately and this information contributes to any decision to close the school

9. EVACUATIONS

- 9.1. The Head Teacher will ensure there is sufficient access so that emergency evacuations can be accomplished safely for all pupils, including those with special educational needs and/or disabilities (SEND), by ensuring that all exits are kept clear and unobstructed, and by carrying out regular checks.

10. ACCESSIBILITY

- 10.1. The Head Teacher (Caroline Belchem) will ensure that access to the campus allows all pupils, including those with SEND, to enter and leave the campus in safety by ensuring entrances are well maintained, unobstructed and wheelchair accessible on the ground floor.

11. SUITABILITY

- 11.1. The Head Teacher (Caroline Belchem), alongside Rother Estate Services, will ensure, as much as is reasonably possible, that the school premises have not been condemned by the Environmental Health Authority through reference to appropriate documentation.
- 11.2. The Head Teacher (Caroline Belchem) and Health & Safety and Property Manager (Faye Shaw), alongside Rother Estate Services, will further ensure that, in terms of the design and structure of ISP School, Battle buildings, no areas of the ISP School compromise health or safety.

12. WELFARE

- 12.1. The Head Teacher (Caroline Belchem) and Health & Safety and Property Manager (Faye Shaw), alongside Rother Estate Services, will ensure that there are sufficient washrooms for staff and pupils, including facilities for pupils with special educational needs, taking into account that:
- Separate washrooms for girls and boys are provided for pupils aged 8 years or older, and separate washrooms are provided for staff and pupils.
 - Staff washrooms are adequate for the number of staff at ISP School, Battle.
 - Changing facilities would be provided for pupils if PE takes place on site – showers are available.
- 12.2. The Head Teacher (Caroline Belchem) will further ensure that there are appropriate facilities in place for children who are ill, including:
- A room for medical or dental examination.
 - A washbasin.

13. CATERING

- 13.1. The Head Teacher (Caroline Belchem), will ensure that where food is served, there are adequate facilities in place for its hygienic preparation, serving and consumption. (See Food Safety Manual/Kitchen Compliance)

14. CLEANING

- 14.1. The Head Teacher (Caroline Belchem), alongside Rother Estate Services, will ensure that classrooms and other parts of ISP School, Battle are maintained in a tidy, clean and hygienic state by monitoring standards.

15. MECHANICAL SERVICES

- 15.1. The Head Teacher (Caroline Belchem) and Health & Safety and Property Manager (Faye Shaw), alongside Rother Estate Services, will ensure that the lighting, heating and ventilation in classrooms and other parts of ISP School, Battle are satisfactory in that:

- Each room or space in the ISP School has lighting appropriate to its normal use.
- Each room or space in the ISP School has a system of heating appropriate to its normal use.
- Adequate measures are taken to prevent condensation and noxious fumes in kitchens and other rooms.

- 15.2. This will be done through a programme of monitoring and systematic feedback from staff.

16. MAINTENANCE

- 16.1. The Head Teacher (Caroline Belchem), alongside Rother Estate Services, will ensure that there is a satisfactory standard and adequate maintenance of decoration by implementing the ISP School's planned maintenance programme, including the statutory and best practice checks outlined in Appendix A.

- 16.2. Most of this work will take place during the ISP School holiday periods, but smaller tasks may be completed during term time.

17. FURNISHINGS

- 17.1. The Head Teacher (Caroline Belchem), in consultation with the Health & Safety and Property Manager (Faye Shaw), alongside Rother Estate Services, and Deputy Head for Curriculum, Assessment and Planning (Amelia Stoner), will ensure that the furniture and fittings are appropriately designed for the age and needs (including any SEND or medical conditions) of all pupils registered at the ISP School.

18. GROUNDS

- 18.1. The Head Teacher (Caroline Belchem), in consultation with the Health & Safety and Property Manager (Faye Shaw), Caretaker (Andrew Belchem) and Deputy Head for

Curriculum, Assessment and Planning (Amelia Stoner) will ensure that there are appropriate arrangements for providing outside space for children to play and exercise safely.

- 18.2. The condition of all playground areas will be monitored regularly and deficiencies addressed.

19. HEALTH AND SAFETY AUDIT

- 19.1. The Head Teacher (Caroline Belchem), alongside Rother Estate Services, will ensure that ISP School, Battle premises are subject to a regular health and safety audit.
- 19.2. The Head Teacher (Caroline Belchem) and Health & Safety and Property Manager (Faye Shaw) will monitor that risk assessments are completed annually for each area of the school.
- 19.3. The Governor responsible for Health & Safety will carry out an annual review of building/premises and report back to Head Teacher and Governing Body.

20. FINANCIAL PLANNING AND CONTROL

- 20.1. The Head Teacher (Caroline Belchem), Caretaker (Andrew Belchem) and Rother Estates Services will review requirements coming out of premises management procedures and will integrate as required into the normal budget review process, in conjunction with Director of Education (Toni Reedman).

APPENDIX

a) HEALTH AND SAFETY AUDIT
