

## **Why We Remember... A response by a KS3 Student:**

You fought for our country, which is a task that we could not be more grateful for.

You put your lives at stake to save our country, even though you were scared and going hungry.

We cannot thank you enough for your bravery, we ran away from our problems but you saved it in a hurry.

The world needs to know your greatness and the actions you have taken, even though it left our generation broken.

We should appreciate you so much more as your bravery is unspoken for.
